

# EVS in the aha – Tipps & Infos für junge Leute, Ravensburg

The aha is a youth information centre and it is situated in the historic corn house in the very centre of Ravensburg

You want to do your EVS in a youth information centre?

Youth information means, that we provide all necessary information for youngsters, in our centre, at schools and fairs. We also offer different additional projects!

Our volunteer help in research, preparation of brochures, presentations at school, fairs etc. This also involves a lot of office work!

You can also do projects with youngsters:  
The volunteer also organizes the Happy Hour – free time activities for youngsters from abroad and from Ravensburg!

And we encourage our volunteer to start a personal project!

Ninia made a informational video together with young people

Greta organized an exhibition about EVS and Europe

Alex started the picture of the week on Facebook to share his EVS experience

Ravensburg is a small town, but it offers everything: bars, clubs, restaurants, cinemas and loads of amazing nature! And a historic centre:

We only host one volunteer in Ravensburg, but you will share your flat with nice young people from Germany, so you can make friends fast! And in Bad Wurzach and Hegenberg are four more volunteers hosted by the aha!

Youth information means that everything we do is based on German; therefore you need to know at least **basic German!** Apart from that you just have to be motivated and interested in the topic!

You will also attend a language class at the university Weingarten, a town next to Ravensburg!

You want an EVS organization that really takes care of their volunteers and integrates them in all aspects? An organization that encourages you to start own ideas?

You are between 18 – 30 years old? And you already know some German? You can start on **1. October and stay until 31. July?**

For any questions or for sending in your application contact Doris ([doris@aha-ravensburg.de](mailto:doris@aha-ravensburg.de))

Deadline for application is the **15.03.2018.** Each application must contain:

- CV with picture
- Motivation letter explaining why you want to join the project
- Details about your sending organization

This project is already approved and we only cooperate with those five sending organizations:

- Fiatalok a Vidékért Egyesület, Budapest, Hungary
