

Youth centre Hörstel

The youth centre consists of four small centres, which are well equipped and can be reached by the visitors easily. They have different target groups: they work with children from 7 to 12 years but also with youth from 11 to 21 years. They follow a low threshold approach which means that their activities should be open to everyone and easily accessible. They have an Internet Café, do educational work with media, have music related projects and outdoor education as well as gender related work with boys and girls. Additionally they organize activities for the holidays and a summer camps.

District Steinfurt – Your home for a year

During your stay in Germany you will live in a shared flat with other volunteers in district Steinfurt. With your bus ticket that you will get, you can travel through the whole district and visit your new friends and bigger cities like Münster and Osnabrück.

Your tasks as an European volunteer

In the youth centers you can contribute your own ideas and make suggestions. As a member of a team you can tell your ideas and get support from your colleagues. Cooperation, communication and relationship work is one of your main tasks. You will work in two of the four houses. While playing games, talking and supporting the children you can get access to them.
